PLANNED SHIPMENT & PURCHASE PRICING

Product	Qty.	MSRP each	Your price each	Line total
Dual Floor system + compressor	100	\$8,095.00	\$3,238.00	\$323,800.00
BAR accessory	100	\$299.00	\$119.60	\$11,960.00
Additional handle	50	\$199.00	\$79.60	\$3,980.00
WALL conversion kit	20	\$1,495.00	\$598.00	\$11,960.00
Single Wall conversion kit (SPULL)*	20	\$399.00	\$159.60	\$3,192.00
TOTAL MERCHANDISE				\$354,892.00

Reference retail value: \$887,230. MSRP is suggested, not a guaranteed resale price. USD; buyer pays actual outbound freight plus \$10 per shipping box, without dealer discount. Tax, delivery services, and installation are additional.

*Assumes the 20 Single Wall kits are SPULL at \$399 MSRP. Final SKU and packing list require confirmation. The 100 compressors are included within the 100 Dual Floor systems above; they are not an additional charge. BAR accessories and extra handles are separately listed.

PROPOSED DEAL POINTS

Purchase commitment. Buy the listed mix or an approved alternative of at least \$887,230 merchandise MSRP (\$354,892 at 60% off) on one order. Freight, handling, and tax do not qualify. Pay 100% of merchandise upfront after signing; no payment is requested here.

Delivery & timing. Target warehouse availability: February 28, 2027. This is an estimate, not a guaranteed delivery date. Plan one consolidated delivery from Simi Valley, California. The 100 systems use 400 boxes (POSTA, POSTB, DPULL, COMP): \$4,000 handling, plus \$10 per additional accessory shipping box. Final box count, actual freight, and handling are approved before order acceptance and paid before dispatch.

Order certainty. Confirm the inventory allocation, price lock, shipment milestones, delay/cancellation and refund rights, warranty, returns, and service responsibilities in writing before funds are collected.

Distribution scope. Alternate assortments require written approval, component availability, and shipment planning. Meeting the dollar threshold does not guarantee physical container fit or allocation. No exclusivity is automatic; any separate proposal needs agreed scope, performance, and exit terms.

Future business. Pricing applies only to the accepted qualifying order. Reorders require renewed qualification and written acceptance. All dealers may request this program.

Next step: Confirm interest in the full-shipment purchase, intended resale channels, and delivery location, then develop a written proposal together.
